THE AMAZING
META CON
MINNEAPOLIS
COMIC CONVENTION

pavlet

Welcome to META CON!

Dear attendees, exhibitors, members of the press, and space-alien:

I am very excited to welcome you to Meta Con 2013, the Minneapolis Comic, Anime, Sci-Fi, and Gaming Convention! In our second year, we are already expecting 2,000+ fans to join us to celebrate our mutual geekiness. We call it, "Nerd Life"™.

Meta Con is our chance to blend together all kinds of fandoms, with more added every year by way of new guest stars and special events. This year we're very excited to welcome Billy West, the voice of Fry, The Professor, Zoidberg, and Zapp Brannigan in Futurama, as well as Eric Roberts, who played The Fourth Master in Dr. Who, and Sal Maroni in The Dark Knight, and is, coincidentally, the brother of Julia Roberts.

We at AnimeCon.org love and understand anime above all else*, so we're also very excited to bring you some epic anime voice actors, including Sonny Strait, Chuck Huber, and Chris Patton. And we have several stars from a show we all watched when growing up, Power Rangers. Stop by one of their panels or get an autograph from them to meet Jason Faunt, Nakia Burrise, Michael Copon, and Erin Cahill.

A lot of panels, events, and our costumes, will be fairly anime and video game oriented, as that's what we know and love. We're always interested in including new fandoms, so we already want to hear from you your suggestions for next year's guests and panels. And while we think of this year, I'd like to send a huge thank-you in advance to all the staff who are volunteering to make this convention weekend possible.

We hope you'll explore our fantastic exhibit hall, and peruse through dozens of vendors and artists in-between events. We expect every year to be bigger than the last, and so we are excited about all the new possibilities our lovely hosts, the Hyatt Regency Minneapolis, have for us. We hope you'll work with us to make sure they find us responsible and respectful.

Over the weekend, we encourage you to look after yourself and your friends, and help us make sure that everyone drinks plenty of water, sleeps regularly, and showers daily. This isn't some corporate "Geek Event," meant to sell you on products or new shows. Meta Con is YOUR celebration of nerdiness. We expect everyone to be loud, horseplay (just a little bit), and goof off in costumes... and maybe play Werewolf or Mafia until 6am.

Whatever you do, have fun, don't do anything irresponsible, and help us make Meta Con one of the greatest geek celebrations on Earth.

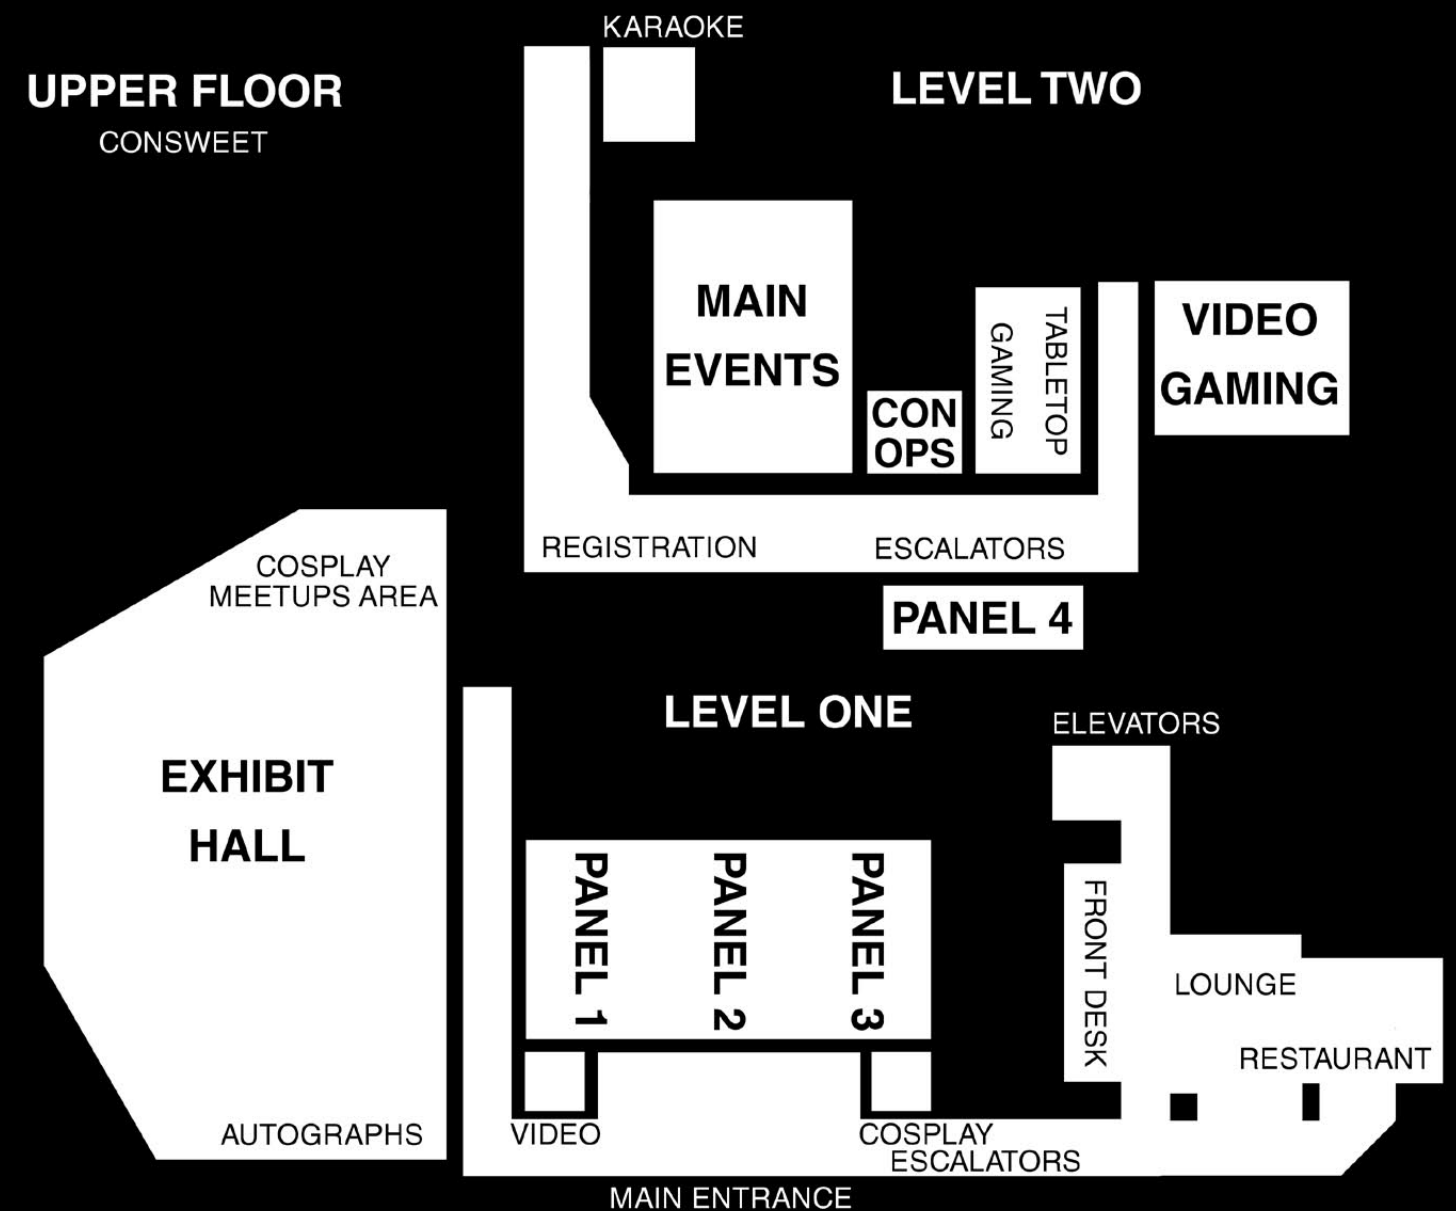

Sincerely,

Ryan L. Kopf**

* Although, of course, I've also watched every episode of Buffy, Futurama, and New Dr. Who.

** Spending 60+ hours a week to make this stuff happen... well, and building robots.

*** "Nerd Life"TM. is probably actually TM to YTCracker. If he had time for that sort of thing.

Convention Operations and Answers

General Rules

Our convention has a number of rules, policies, and regulations that help make the convention run smoothly and be as fun as possible for everyone. We encourage you to read our rules to understand what is expected to help make the best, most successful, and most fun weekend possible. In addition to these general conduct policies, we also have rules and guidelines for cosplay, press, exhibitors, and others. Violations of these rules and responsibilities can result in loss of privileges, up to and including ejection without refund, legal action, or involvement of the authorities.

Rule Number One: Do not do anything that could make the convention less fun for other attendees, the hotel, the staff, or for yourself. If it's dangerous, obnoxious, uncomfortable, or otherwise, do not do it. It is all of our responsibility to let everyone have a safe, respectful, and fun weekend.

If it is illegal outside of the convention, it is illegal here. Excessive or underage alcohol use, drug use, harassment, carrying firearms, and many other things are illegal, and will result in your loss of the privilege to attend our convention. If you have a safety or security concern, bring it to the convention's operations center immediately. In emergencies, dial 911.

If you are hosting a party where alcohol is being served, it is your responsibility as host to ensure that the age of anyone drinking alcohol is checked. You should also designate someone not to drink, so that there is a fully competent person present to deal with any emergencies that might arise.

All attendees must wear their badge at all times throughout the convention, and it must be presented to convention staff on request at any time. Selling anything of any kind at the convention is prohibited unless you are a registered exhibitor with the convention. Pets and animals are not allowed in the convention space or hotel, unless they are working animals (such as seeing eye dogs). Smoking is not allowed in our hotel. Photography and video recording of any kind are strictly prohibited during any AMV contest or show screening. These rules apply to all types of attendees, including exhibitors, press, and other congoers. We may also establish additional policies covering press, exhibitors, and others.

By attending the convention you understand that convention staff may take video footage and photographs throughout the convention which may be used in high-lights, marketing endeavors, or other media. You consent to be filmed or photographed by staff, approved industry, or media during the entire convention without compensation to you. Your attendance constitutes a grant of rights to the convention to reproduce, display, distribute, perform, creative derivative works of, or otherwise use any video or pictures that it obtains and in any manner throughout the world in perpetuity, including online, for broadcast, or other transmissions.

The convention's code of conduct and other rules are subject to change at any time, and without notice, at the discretion of the convention. Violation of the rules is grounds for immediate loss of your convention badge and suspension from the convention.

Any form of harassment, bullying, or stalking will not be tolerated at our family-friendly event. Staff have final say in all matters at the convention, and reserve the right to remove anyone from our event for any reason.

Weapon and Large Prop Rules

- All weapons and large props must be inspected and approved by our operations or security staff at the convention. We will then "peace mark" them, by affixing a ribbon or mark that indicates we have checked them, and, if necessary "peace bond" them by using ribbon or ties to keep your weapon from being drawn or used (for example, by someone who doesn't know the rules and sneaks up behind you and grabs it). Attendees must realize that it is a privilege to bring large props and weapons to the convention, and everyone must take great care to be careful not to damage things, whack people, or otherwise do anything that seems dangerous. We allow certain specific prop weapons and large prop items, but anything not listed below is not allowed. Please understand that due to crowding, space, or safety issues, we may have to change the rules mid-convention at any time.

Guns: Semi-realistic looking guns are only allowed if they have a very bright, obvious orange tip that shows they are non-working and can be obviously seen from a distance. Guns that actually work, or have the potential to work, or might be mistaken by the public as real, are not allowed. Toy or fantasy guns that are "obviously fake" are allowed.

Swords: Swords are allowed if they can be tied shut in their sheath, or if they are made of wood or plastic. Swords must never be waved around or wielded, but they can be used for still posing for photographs.

Bows: Toy, or otherwise wooden or plastic bows can sometimes be okay, but professional or compound bows are not. Equipping an arrow to a bow is absolutely never acceptable, even for photos.

Large Props: Large props are generally okay, if you are extremely mindful of them. However if we find that we have large crowds, or if they become a problem, we may ask you to return them to your hotel room or car at any time. We will not store them for you.

Pretend Weapons: Anything that is entirely obviously a play/pretend weapon that can not be mistaken for something that is actually a real weapon.

Any weapons or props may be disallowed at any time at the discretion of management. Please understand that during times of peak attendance we may be forced to limit prop size during the convention.

How can I contact convention staff?

Find us in the "Con Ops" operations office, next to Mainstage (check your map). Should you need help, have an emergency, or anything else, Con Ops is a great resource. For general questions, you can ask any staff member you see.

What do I do in an emergency?

Our operations center next to Main Events should be your first stop if you need immediate and urgent assistance. In especially dangerous or life-threatening emergency situations, you should call 911 immediately. If you are unable to safely and quickly make it to Con Ops, please inform the nearest available staff member immediately. If you witness an emergency or need help, please go to Con Ops and ensure the situation is resolved.

Who do I talk to about special needs?

Individuals with special needs who need accomodations are encouraged to attend our programs. If you are an individual with special needs in need of an accomodation, please see us in Con Ops. For hotel related special accomodations, please see the hotel front desk staff.

Where do I submit feedback/suggestions?

Your feedback is extremely important and valuable to us, and we encourage you to share both your negative and positive experiences with us, so that we can use your feedback to make a better convention every year. We collect your email address when you register so that we can email you our feedback survey, which is why it's important that we get a good email address. The feedback from these submissions are reviewed multiple times every year, so your comments will be noticed.

Do you have tips for parents?

We encourage you to plan ahead with your children about where you might meet up if you are seperated in the massive crowds. Write your phone number on the back of the child's badge if possible, and keep a description of what they are wearing. Children 13 and under must be attending the convention with a parent or guardian, and children under 7 must have a guardian with them at all times. Please read all event descriptions, as some events may not be suitable for children.

Can I host a party in my room?

- Room parties are up to you, but we have several reminders. If you receive repeated noise complaints, the hotel may and will evict you from your room. If you serve alcohol to minors, the police will give you a court date. If serving drinks or showing adult material, check the government-issued IDs of every last person, and don't even let anyone underage in your room. Violations of these rules can result in removal from the convention, revocation of your convention badge, and possibly involvement of the proper authorities.

Can I join staff or volunteer?

- We would love your help! Stop by our Con Operations room and inquire about volunteering. Volunteer perks range from getting pizza with staff to free admission for next year. Staff members must sign up in advance on our website, and we encourage you to think about it for next year if you would like to help out. It's a great experience, filled with awesome people to meet.

Please remember these attendee tips!

Eat Two Meals Each Day

We have a ConSweet filled with free pop and free rice, but you can't live off this stuff, even if you're Kirby! Getting regular meals, complete with protein, vitamin-C, and real nutrients, is important to keep your body from getting worn out. Eat at least two real meals per day. Consider ordering delivery, or getting some friends together to go out somewhere.

Sleep Each Night

You need to get at least six hours of sleep each night to fully enjoy the convention. While staying up is fun and exciting, most events end by 2am, and you won't have as much fun if you stay awake all night. Get some sleep and enjoy the next day rested!

Shower Daily

Whenever you are having a ton of fun, sometimes it can be hard to remember to stop and think about others. Please, as a courtesy to other attendees who may be standing behind you in the auto-graph line, shower every day!

Registration Information

Registration handles giving out badges to pre-registered attendees, and selling badges to attendees that have not yet registered. All individuals participating in convention events or watching convention functions are required to have a convention badge, which must be worn at all times.

There will be two lines for registration: pre-registered, and at-the-door registration. Pre-registered attendees, who have already paid for their badge online or by mail, simply need to provide their name and identification to pick up their badge.

You may pay with cash or a check written out to "Meta Con." We can not take credit cards. At the door registration is \$40 for the full weekend for those 13 and older. Children from 7 to 12 must be registered with by a paid adult. Children under 7 can register free with a paid adult. Max two children per adult, and those under 13 should be accompanied by an adult at all times.

What age indicators are there?

Badges include an age indicator for people 21+, 18+, or under 18. Attendees need to provide a government-issued photo ID with a birthdate to get any badge 18-20 or 21+ badge, otherwise they will be issued a Youth badge. A photo ID is still required for any 18+ events, and party hosts must check a photo ID in accordance with state law before providing alcohol also.

What do I do if I have lost my badge?

If you have lost your badge, it can be replaced one time only by registration for a fee of \$25. Do not lose your badge, and keep it somewhere where it won't be misplaced. Abusing this priveledge to share badges, or the use of someone's lost badge, can result in expulsion, or even death by heart attack.

Cleanest Room Contest!

Want a chance to get your hotel room free for the weekend? Compete in our cleanest room contest! Before you check out (on time!), make sure your room is completely clean, and you will have a chance to have your room refunded for Friday & Saturday nights. The cleanest room wins! Costume and Cosplay Events

The convention includes numerous costume events designed to let you show off and showcase your wonderful cosplay costumes. The mainstage masquerade is our primary costume contest, with participants competing to be the best in show. There are also numerous photoshoot opportunities and additional contests held throughout the weekend.

Masquerade Contest

How To Participate

To participate in Saturday's mainstage cosplay contest, please pre-register by 8pm on Friday. Registration ends Friday night, though it may be open on Saturday morning if enough timeslots are still available. Complete contest rules are available, along with signup forms, at the convention registration desk.

Contest Categories

Participants can choose to be judged in either their costume workmanship, their performance, or both. Workmanship is divided up into judging categories, which include Inexperienced, Experienced, and Master divisions. Workmanship entries will be judged both on overall appearance and the quality of the construction of their costume. Performance entries will be judged on acting, memorizing, performing, and presentation skills. Participants can choose to participate solo or as part of a group. Complete rules and entry forms are available in the cosplay office. Please register as early as possible.

Hall Cosplay Contest

The hall cosplay contest is a small workmanship contest in which you compete on your craftsmanship and costume creation skills. To compete, you must register in advance (at the Registration Desk), and you will be given a time to be judged.

Meetups & Photoshoots

We schedule these times and places for meetups for various fandoms. These are a chance to meet other people interested in the same fandom, and possibly take group photos (we may or may not have an official photographer present). This way it will be easier to know when to dress up and when you may find other characters from your favorite show, video game, or comic.

META CON 2013 SPECIAL GUESTS

Samurai Dan & Lady Jillian

Samurai Dan and his wife, the beautiful Lady Jillian (also attending), are full-time martial arts instructors, specializing in 16th century Samurai arts. When not teaching at their dojo, the Kojokan, they travel across the country performing and teaching the ancient ways of the most famous warriors in history. Their shows and demonstrations uniquely blend history, combative skill, and humor, in a way that will both educate and entertain audiences both large and small. The dynamic duo also collaborated to write, direct, host, and star in a 12 episode TV series entitled “The Way of the Samurai,” and Daniel is also an author with several martial arts articles published, and he is currently working on his second full-length novel.

Lewis “Linkara” Lovhaug

Lewis “Linkara” Lovhaug has had the misfortune of being cursed to review comic books on the internet. Somehow this has made him popular on the website That Guy With the Glasses, though many suspect it's more so people can stare and laugh at the weirdo. On his show, Atop the Fourth Wall, he regularly contends with the surreal, the stupid, and the senseless books that the comic industry has produced over the last eighty years. If that wasn't sad enough, he also has done a retrospective on Power Rangers (released on the schedule of when a blue moon rises on the 13th hour of the 13th day of the 13th month), actually attempting to grant serious analysis to a series about guys in spandex punching rubber-suited monsters. It's best not to make direct eye contact with him.

Airship O'Reilly

Started back in 2007 as the Brazen Beauty, the Champaign, IL based Airship O'Reilly has since evolved beyond just a group of kids who wanted to make movies and have fun. Bringing together several slightly insane individuals, O'Reilly has become a force of entertainment, hosting events in their hometown, making costumes and accessories, and bringing the madness and chaos with them wherever they go.

FEATURED MUSIC GUESTS

Steam Powered Giraffe

The robots of Steam Powered Giraffe are like nothing you've ever seen. The malfunctioning joke-spewing metal men play a collection of original Vaudeville inspired tunes fused with modern flare and executed in a super-sleek, one-of-a-kind performance. More than just a band, Steam Powered Giraffe is an experience that must be seen and heard by the entire family. The artists behind the robots started street busking as these quirky characters in January 2008 at Balboa Park, California, and instantly drew the attention of Southern California. Since then they've performed at such venues as The San Diego Fair, The San Diego Zoo, The Wild Animal Park, Legoland, Ontario Mills, and numerous Sci-Fi, Fantasy, and Steampunk Conventions.

The act combines the visual of robot pantomime with sketches, pop culture references, improvised comedic dialogue, and of course, original music. From their heartwarming nostalgic melodies to their funky cabaret rock, Steam Powered Giraffe's songs are memorable, infectious, and as unique as the robots themselves.

YTCracker

YTCracker is a rapper, former cracker, and Internet entrepreneur. YTCracker began producing rap music in 1998 in the genre that has since become known as nerdcore hip hop. YTCracker is a self-proclaimed “jack of all trades”, also making a name for himself as a professional disc jockey, computer programmer, graphics designer and webmaster. Find him DJing during the rave, as well as rapping during the NerdConcert.

StarF + Mattari 2600

StarF is an amateur hip hop artist from Maple Grove, Minnesota who primarily functions within the nerdcore community. He occasionally yells at a microphone and calls the results music. Once in awhile he likes to go out in public and shout at groups of people much to their confusion, calling it a performance of this aforementioned music. If you've ever wanted to experience the excitement of some guy who likes to LARP as a rockstar yelling words at you in rapid succession over wonderfully bass-laden instrumentals it would be in your best interest to see StarF perform.

Mattari is a nerdcore hip-hop artist who makes music for the love of music. Mattari is proud to stand by making free music that will always be free. Mattari started making music after listening to a bunch of old-school and nerdcore hip-hop for years, and realizing a natural talent for decent writing and hip-hop flow. Mattari will perform anywhere or collaborate with anyone for the love of making music.

Autographs

Autograph Reminders

Please do not wait until the last autograph session to get an autograph; you could miss out when we have to limit the number of people per session. Only the first fifty (50) people for each hour of autographs will be allowed to wait in line for the autograph session. After that amount, we can not let more people wait in line as the guests will run out of time. You are limited to up to two (2) items signed per autograph session if there is a full line. The size of items may be limited if required. Some lines for autographs may form very early. If you do not arrive early enough to get a spot in line, be prepared to try a different autograph session.

Guests will only be able to sign official, licensed merchandise - not bootlegs. Our dealers will be held to high standards of copyright compliance.

We reserve the right to choose to implement, or not implement, a lottery system at any time, if more than the maximum number of people are in line before the session begins. If we are required to implement a lottery, then arriving several hours early may not guarantee an autograph for that session.

Photographs and recordings with the guests are available only with the guests' permission and are limited by time. Please be kind to respect the awesome guests we have, and ask nicely. In extremely busy circumstances, photographs may not be allowed, or we may ask that you wait until everyone else is finished.

While we try to have enough sharpies, sometimes we run out or they go missing. If you have something that needs to be autographed in a specific color, then we recommend bringing that color.
